

How Old is the Oldest Tree?

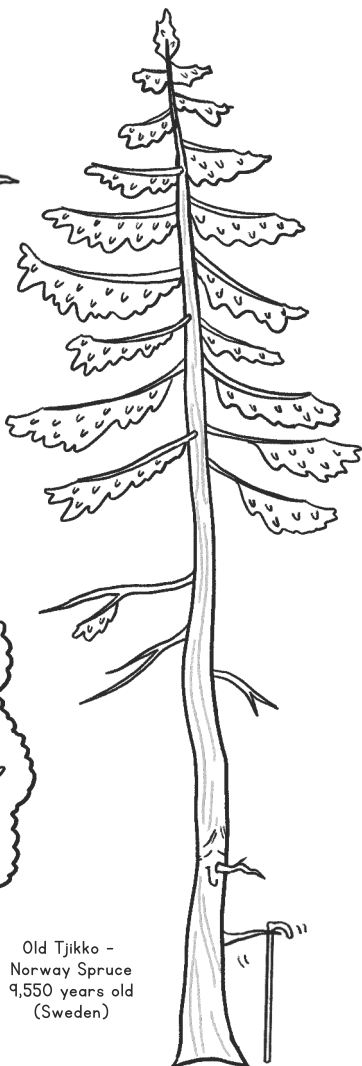

Pando -
Quaking Aspen colony
80,000 years old?
(Utah, USA)

Bistlecone Pine
4850 years old
(California, USA)

Cypress of Abarkuh
Over 4000 years old
(Yazd Province, Iran)

Old Tjikko -
Norway Spruce
9,550 years old
(Sweden)

ART'S NOTES

The age of the oldest tree is a mystery. The oldest tree actually has many tree trunks. Over 40,000 trunks grow from the same roots underground. Many believe those roots are around 80,000 years old.
